

FUTURE CAREERS FAIR 2021 – 28TH MAY (online)

Calling all graduating students and recent graduates in hospitality, culinary arts, travel and tourism.

You are invited to join an international online careers fair on 28 May 2021. [Registrations now open.](#)

We recognise this has been a tough time for students and graduates in hospitality and tourism. Our sector has been hard hit by covid, meaning career opportunities have been more limited than usual. As we emerge from lockdown, this event will provide reassurance that hospitality, travel and tourism remain vibrant sectors in which to build fulfilling management and leadership careers.

The Future Careers Fair will bring together 500 graduates from across Europe with up to 30 employers and industry representative bodies who want to connect with talented and motivated graduates and share views on how best to approach the early stages of your career. Graduates from 2019, 2020 and 2021 are encouraged to attend.

The event will take place in an online convention centre, from 12 noon to 2.30pm (BS) on 28th May 2021.

Student registrations are now open and are free of charge. Follow this link to [book your place](#).

The event will also include a series of keynote speakers, who will share personal insights that will help with your transition to work, and with taking the first steps in your career. Keynote speakers at the event include Kellie Rixon MBE and Robert Richardson, both recently appointed to the Institute of Hospitality as Chair and CEO respectively; Eugenio Pirri, Chief People and Culture Office, The Dorchester Collection; and Linzi Boyd, Founder of BoB Earth. Others will be added in the coming days.
